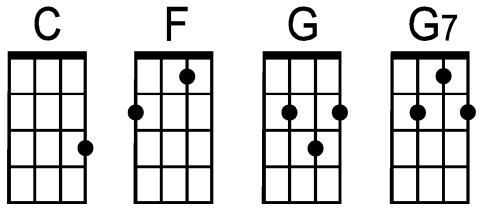
Don’t Hunt with Dick Cheney (on Top of Ol’ Smokey)

C F C
Don’t hunt with Dick Cheney, you might end up dead
G7 C
He’ll aim for your torso, or even your head

C F C
He’ll claim it’s a quail shoot, but that’s just a front
G7 C
It really is humans that Dick likes to hunt

C F C
He might say he’s sorry, and even act blue
G7 C
But that’s just cause Cheney, don’t want to be sued

C F C
So don’t try to lobby, the veep on the hunt
G7 C
Cause shots meant for wildlife, you’re sure to confront

C F C
The quail were all flightless, and lying around
G7 C
And yet some poor schmuck’s face, Dick’s buckshot had found


C F C
Don’t hunt with Dick Cheney, you might end up dead
G7 C
He’ll aim for your torso, or even your head
