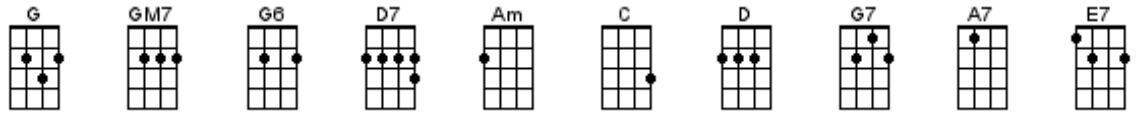
You Always Hurt The One You Love



G Gmaj7 G6
You always hurt the one you love
G D7
The one you shouldn't hurt at all
Am C D
You always take the sweetest rose
D7 G
And crush it till the petals fall
G G7 C
You always break the kindest heart
A7 D7
With a hasty word you can't recall
G Gmaj7 G6 E7
And if I broke your heart last night
A7 D7 G D7
It's because I love you most of all

Repeat entire song once or twice
