**If Heidi looks familiar, it is because you remember her as
Susan Ross, George Costanzas' fiancé on the Seinfeld Show.**

When Heidi was 5 years old, she received her first ukulele from the Hawaiian Easter bunny while living in Kailua, HI. She has fond memories of teaching herself chords and writing songs in her room in Albuquerque NM, the place she thinks of as home. She picked the instrument up again in 1992 in Hollywood, CA while playing a singer-songwriter for a network TV pilot.

Now life imitates art, and she plays a musician full time.

Attend and have the chance to win a CK-15Z Zebrawood, concert ukulele made by Ohana.
Retail value \$219. Raffle tickets on sale the afternoon of the performance.
