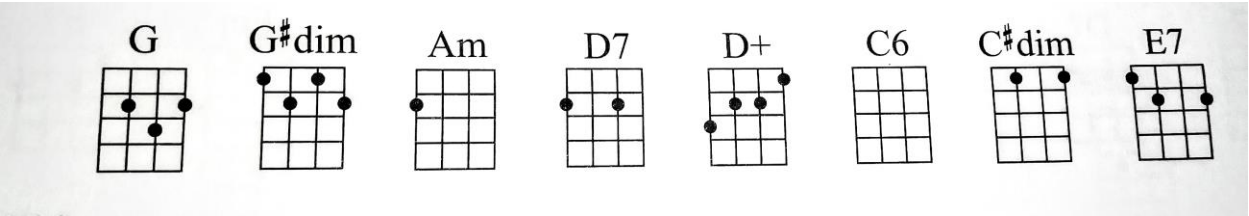
Around The World (from Around The World in 80 Days)

Words/Music By Victor Young & Harold Adamson

```
 G
Around the world I've searched for you;
                                G#dim
I traveled on when hope was gone
            Am      D7
To keep a rendezvous.
 Am          D7              Am          D7
I knew somewhere, sometime, somehow,
                                D+
You'd look at me and I would see
                      G
The smile you're smiling now.
```

```
 G
It might have been in County Down,
                                G#dim
Or in New York, or gay Paree,
            Am
Or even London town.
     C6        C#dim   G          E7
No more will I go all around the world
            Am        D7       G
For I have found my world in you.
                          (repeat and rit. last line)
```



Note: On the D+ chord, if you can't play the note in the 4th fret, only play the top three strings.
