

Bell Bottom Trousers in C

[C]Once there was a little girl [G7] who lived next to me,
And she loved a sailor boy,[C] he was only three
Now he's on a battleship [G7] in his sailor suit,
Just a great big sailor man [C] but he's just as cute

CHORUS-[C]Bell Bottom Trousers,[G7] coat of navy blue
She loves her sailor [C] and he loves her too

[C]When they walk along the street [G7] anyone can see,
They are oh so much in love,[C] happy as can be.
Hand in hand they stroll along,[G7] they don't give a hoot
He won't let go of her hand,[C] even to salute
CHORUS

[C]When her sailor boy's away [G7] on the ocean blue,
Soldier boys all flirt with her [C] but to him she's true,
Tho they smile and tip their caps [G7] and they wink their eyes
She just smiles and shakes her head,[C] then she softly sighs
CHORUS

[C]Every where her sailor went [G7] she was sure to go
Till one day he sailed away [C] where she doesn't know.
Now she's gonna join the Waves [G7] maybe go to sea,
Try to find her sailor boy [C] where ever he may be
CHORUS

[C]If her sailor she can't find [G7] on the bounding main,
She is hopeful he will soon [C] come home safe again.
So they can get married [G7] and raise a family
Dress up all their kiddies [C] in sailor dungarees

[C]Bell Bottom Trousers,[G7] coat of navy blue
She loves her sailor [C] and he loves her too! [G7!][C!]
