

Cover of the Rolling Stones

(C) We're the Special K singers we've got golden fingers
and we're loved everywhere we (G) go,
we sing about beauty and we sing about truth
(G7) for a bottle of wine per (C) show;
We take all kinds of pills to cure all kind of ill's,
But the thrill we've never (F) known
Is the (G) thrill that'll get you when you get your picture
On the cover of the Sun City (C) View

Chorus (C) Sun City (G) View
Wanna see my picture on the cover
(C) (View) wanna buy five copies for my mother
(G) (View) wanna see my smilin' face
On the (F) cover of the Sun City View (C)

(C) We've got bright sunny days all year long
And we lay around the rec center (G) pool
We have ice cold drinks that are good'n strong
(G7) It's a really great way to stay (C) cool
Now it's all designed to blow our minds
But our minds won't really be (F) blown
Like the (G) blow that'll get you when you get your picture
On the cover of the Sun City (C) View

Chorus

(C) We've got a lot of old gray-haired groupies
Who do anything we (G) say
We've got a genuine yoga class guru
(G7) who's teachin' us a better (C) way
We got all the friends that booze can buy,
So we never have to be a (F) lone
And we (G) keep getting richer but we can't get our picture
On the cover of the Sun City (C) View
