

I,m So Lonesome I Could Cry

Key of C

C Em Am C
Hear the lonesome whipporwill
C Em Gm7
He sounds too blue to fly
F Fm6 C Am
The midnight train is whinnying low
C G C G7
I,m so lonesome I could cry

C Em Am C
I,ve never seen a night so long
C Em Gm7
When time goes crawling by
F Fm6 C Am
The moon just went behind a cloud
C G C G7
to hide its face and cry

C Em Am C
Did you ever see a robin weep
C Em Gm7
When leaves begin to die
F Fm6 C Am
That means he,s lost the will to live
C G C G7
I,m so lonesome I could cry

C Em Am C
The silence of a falling star
C Em Gm7
Lights up the purple sky
F Fm6 C Am
And as I wonder where you are
C G C
I,m so lonesome I could cry
