

Somebody Like You by Keith Urban

Keith does this in E so you have to capo 9TH fret to play along
4/4Timing

[Intro] G G G G G G G G

[Verse 1]

There's a new wind blowing, like I've never known, I'm breathing deeper than
G...
I've ever done

And it sure feels good, to finally feel the way I do. I wanna love somebody,
love somebody like you

And I'm letting go of all my lonely yesterdays, I've forgiven myself for the
mistakes I've made

Now there's just one thing, the only thing I wanna do. I wanna love
somebody, love somebody like you

[Chorus]

Yeah I wanna feel the sunshine, shining down on me and you
When you put your arms around me, you let me know there's nothing in the
world I can't do

[Verse]

I used to run in circles going, nowhere fast, I'd take one step forward end
up two steps back
I couldn't walk a straight line, even if I wanted to
I wanna love somebody, love somebody like you (Woh here we go now...)

[Instrumental]

G G G G C C G G D C G G

[Chorus]

Yeah I wanna feel the sunshine, shining down on me and you
When you put your arms around me, you let me know there's nothing in the
world I can't do

[Verse 3]

Sometimes it's hard for me, to understand, but you're teaching me to be a

 G
better man
