

Sugar Time

<http://lyrics.kanikapila.us>

[C]Sugar in the mornin',
[C7]sugar in the evenin',
[F]sugar at supper [C]time
[G7]Be my little sugar and [C]love me [F]all the [C]time

[C]Honey in the mornin',
[C7]honey in the evenin',
[F]honey at supper [C]time
[G7]Be my little honey and [C]love me [F]all the [C]time

[G7]Put your arms a[C]round me and [G7]swear by stars a[C]bove
[G7]You'll be mine for[C]ever in a [D7]heaven of [G7]love

[C]Sugar in the mornin',
[C7]sugar in the evenin',
[F]sugar at supper [C]time
[G7]Be my little sugar and [C]love me [F]all the [C]time

Now sugar [G7]time is any [C]time that you're [G7]near, or just ap[C]pear
So don't you [G7]roam, just be my [C]honeycomb,
we'll [D7]live in a heaven of [G7]love

[C]Sugar in the mornin',
[C7]sugar in the evenin',
[F]sugar at supper [C]time
[G7]Be my little sugar and [C]love me [F]all the [C]time
[G7]Be my little sugar and [C]love me [F]all the [C]time
