

Surf

Ka'au Crater Boys

(C) Surf is the only (Am) way I say
To make (F) music with the ocean (G) day by day
I (C) surf all day play (Am) music all night
And I (F) just can't wait till the (G) morning light to go

Chorus: (C) Surf wah (Am) ooh wah (F)ooh-(G)ooh
everybody go (C) surf wah (Am) ooh wah (F)ooh-(G) Surf,
Surf

I (C) check all the island (Am) breaks I know
But the (F) place I go is the (G) big Sun Bowl
I (C) surf with the gang from the (Am) Uke Club Crew
(F) Trudy, Larry and (G) even you.

Chorus.

(C) Once you learn all the (Am) radical moves
I (F) know it will put you (G) in the groove
Go (C) off the lip and (Am) in the tube
If (F) I can do it (G) so can you. So go

Chorus.

(C) Surf will never (Am) ever die
Cause (F) surfin' with my uke makes me (G) feel so high
My (G) love for uke is (Am) very strong
So the (F) uke club is where I be(G)long. We go

Chorus twice and out!
