

On the Beach at Waikiki

This song by G.H. Stover and Henry Kailimai which was arranged by Sonny Cunha was introduced at the Hawaii pavilion of the San Francisco Panama-Pacific Exposition in 1915 (PS: "Honi Kaua wiki wiki" means "kiss me quick")

F
"Honi ka-u-a wiki wiki"

D7 G7
Sweet brown maiden said to me
 C C7
As she gave me language lessons
 F C#7 F C7
On the beach at Waikiki.

F
"Honi ka-u-a wiki wiki"
D7 G7
She then said and smiled in glee,
 C C7
But she would not translate for me
 F C#7 F C7
On the beach at Waikiki

F
"Honi ka-u-a wiki wiki"
D7 G7
She repeated playfully
 C C7
Oh those lips were so inviting
 F C#7 F C7
On the beach at Waikiki.

F
"Honi ka-u-a wiki wiki"
D7 G7
She was surely teasing me,
 C C7
So I caught that maid and kissed her
 F C#7 F C7
On the beach at Waikiki.

F
"Honi kaua wikiwiki"
D7 G7
You have learned it perfectly.
 C C7
Don't forget what I have taught you
 F C#7 F
On the beach at Waikiki.

C C7
Well I surely learned my lesson
Slowly:
 F C#7 F
On the beach at Waikiki.
