Recorded for the 1972 album *Harvest*, this song is Young's only U.S. No. 1 single and is ranked by Rolling Stone at #297 on their list of the 500 greatest songs of all time. The song features Young on harmonica and acoustic guitar with backup vocals by James Taylor and Linda Ronstadt. Young later wrote: "This song put me in the middle of the road. Traveling there soon became a bore so I headed for the ditch. A rougher ride but I saw more interesting people there."
