

Thirsty Boots Eric Andersen

C C/B C/A C/G
You've long been on the open road
F C C/G
You've been sleepin in the rain
C C/B C/A C/G
From the dirty words and muddy cells
F G
Your clothes are soiled and stained.
C C/B C/A C/G
But the dirty words and muddy cells
F G
Will soon be hid in shame
C F C
So only stop to rest yourself
F G
Till you'll go off again.
C F
So take off your thirsty boots
C F
And stay for awhile
C C/B C/A
Your feet are hot and weary
Dm G
From a dusty mile
C F
And maybe I can make you laugh
C F
Maybe I can try
C C/B C/A
I'm just lookin' for the evening
Dm G C
And the morning in your eyes.

C C/B C/A C/G
DBut tell me of the ones you saw
EF C C/G
FAs far as you could see
GC C/B C/A C/G
HAcross the plain from field to town
IF G
JA-marching to be free
C C/B C/A C/G
And of the rusted prison gates
F G
That tumbled by degree
C F C
Like laughing children one by one
F G
They looked like you and me
C F

So take off your thirsty boots
C F
And stay for awhile
C C/B C/A
Your feet are hot and weary
Dm G
From a dusty mile
C F
And maybe I can make you laugh
C F
Maybe I can try
C C/B C/A
I'm just lookin' for the evening
Dm G C
And the morning in your eyes.

C C/B C/A C/G
I know you are no stranger down
F C C/G
The crooked rainbow trails
C C/B C/A C/G
From dancing cliff-edged shattered sills
F G
Of slender shackled jails
C C/B C/A C/G
But the voices drift up from below
F G
As the walls they're being scaled
C G C
All of this and more
F G
Your song shall not be failed.
C F
So take off your thirsty boots
C F
And stay for awhile
C C/B C/A
Your feet are hot and weary
Dm G
From a dusty mile
C F
And maybe I can make you laugh
C F
Maybe I can try
C C/B C/A
I'm just lookin' for the evening
Dm G C
And the morning in
