1.

C G7  
I can hear the whistle blowin'  
C

High and lonesome as can be  
F C  
Tonight the rain is softly falling  
G7 C  
And its falling just for me

Chorus

G7 C  
Looking back along the road I've traveled  
G7 C  
All the miles can tell a million tales  
F C  
Each year is like some rolling freight train  
G7 C  
And cold as starlight on the rails

2.

C G7  
I think about a home and family  
C  
My house and all the things it means  
F C  
The black smoke trailing out behind me  
G7 C  
Is like a string of broken dreams

Chorus

3.

C G7  
Now, if you live out on the highway  
C  
You're like a clock that can't tell time  
F C  
And if you spend your life just ramblin'  
G7 C  
You're like a song without a rhyme.

Chorus.

*Fine*
