

All of Me Lyrics by Leonard Kaufer (© 2017)

C E7
All of me. Why not play all of me?

Can't you see, my neck is so long, dear?
E7 Am
Move on up, why don't you try them?
D7 Dm7 G7
Heaven knows, you might even like them
C E7
You don't try; that makes me cry and cry
A7 Dm
Why don't you, just creep on up dear?
F F#dim7 C A7
My fretboard's long, so jazz up this song
F G7 C (G7)
And why not play all of me?
