(Kazoo intro)

Well, (C) buzz, buzz, buzz goes the bumble bee
(G7) Tweelely, deedlelby, dee goes the (C)bird
But the sound of your little voice, darling
Is the (G7) sweetest sound I've ever (C)heard
I've (F) seen the beauty of the red, red rose
Seen the (C) beauty when the sky is blue
Seen the (F) beauty of the evening sunset
(G7!) But the beauty of you

(C)Sweet as the honey from the honeycomb
(G7) Sweet are the grapes from the (C) vine
But there's nothing as sweet as you, darling
And I (G7) hope someday you'll be (C) mine.

(Repeat from Kazoo intro)
