

## I Fall to Pieces

Hank Cochran, Harlan Howard

**G C D (D-C#) C D G G**

I fall to pieces, each time I see you again

**G C D (D-C#) C D G G**

I fall to pieces, how can I be just your friend

**G G7 C C**

You want me to act like we've never kissed

**D D C - G G**

You want me to forget, pretend we've never met

**C D G G**

And I've tried and I've tried, but I haven't yet

**C D G G**

You walk by and I fall to pieces

**Turnaround: C D G G**

**G C D (D-C#) C D G G**

I fall to pieces each time someone speaks your name

**G C D (D-C#) C D G**

I fall to pieces, time only adds to the flame

**G G7 C C**

You tell me to find someone else to love

**D D C - G G**

Someone who'll love me too, the way you used to do

**C D G G**

But each time I go out with someone new

**C D G G**

You walk by and I fall to pieces

**C D G - C G**

You walk by and I fall to pieces
