

# *I Want A Pizza*

(sung to the tune of I Fall To Pieces, New lyrics by Art Haab)

C Am G G>F#>F

I want a pizza,

G C

Each time I see the Papa John's sign.

C Am G G>F#>F

I want a pizza,

F G C G

Made with sausage and mushrooms

C C7 F

You want me to ignore your little signs

G G7 C

You want me to forget I never tasted it.

F G C

Well I tried and I tried and I can't forget

F G C

You drive by and I want a pizza.

C Am G G>F#>F

I want a pizza

F G C G

Even Domino's will do

C Am G G>F#>F

I want a pizza

F G C

Make mine with sausage and mushrooms

C G F

You tell me that I should try some other foods

F G G7 C

Maybe some Chinese, something called MooShoo

C F G C

And I've tried and I've tried even a Hot Dog Stew

C F G C GC

But you drive by and I want a pizza.
