When I became a father in the spring of '81
There was no doubt that stubborn boy was just like my
father's son
And when I thought my patience had been tested to the
end
I took my daddy's secret and I passed it on to him

Last night I dreamed I died and stood outside those
pearly gates
When suddenly I realized there must be some mistake
If they knew half the things I've done they'll never let
me in
Then a somewhere from the other side and I heard
these words again
