 Well she was just 95, More dead than alive  
**G7**  
 And the way she looked, was beyond repair

**C** **C7** **F** **Ab** **C** **G7** **C**  
 So how could I talk to another...ooh...When I saw her sitting there

**C7** **F7** **C7**  
 Well she looked at me, and I, I could see  
**G7**  
 That before too long, I,d be stuck with her

**C** **C7** **F** **Ab** **C** **G7** **C**  
 She wouldn,t talk to another...ooh...When I saw her sitting there

**F7**  
 Well my pacemaker went boom, when I crosswd that room

**G7** **F7**  
 And I held her cane in mine

**C7** **F7** **C7**  
 Well we talked thru the night, how her artifiical knee wasn,t right  
**G7**

And before too long, I knew everything about her

**C** **C7** **F** **Ab** **C** **G7** **C** **C**  
 Now I,ll never talk to another...ooh...Since I saw her sitting there...Since I saw  
**G7** **F7** **C**  
 her sitting there
