I wanna go back to my little grass shack In Kealekekua, Hawaii

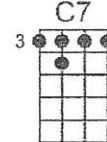

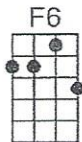

I wanna be with all the kanes and wahines That I used to know, (so long ago.)

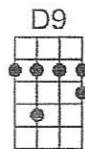

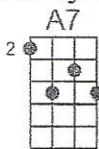

I can hear the old guitars a'playing at the beach at Ho'onaunau

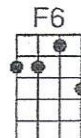

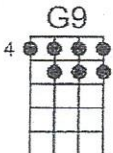

I can hear the old Hawaiians saying, "Komo mai no ka ua ika hale wela ka hao"

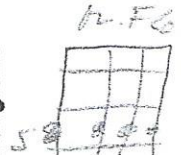

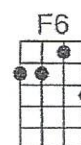

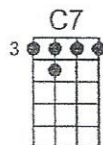

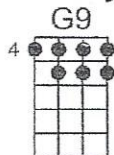

It won't be long 'till my ship, Will be sailing back to Kona, It's a grand old place that's always

fair to see (you're tellin me). I'm just a little Hawaiian and a homesick Island boy,

I wanna go back to my fish and poi, I wanna go back to my little grass shack .

In Kealakekua, Hawaii, Where the Humu-humu-nuku-nuku-a-pu-aa, go swimming by.
