**C7**

**D7**

Today,s music ain,t got the same soul

**G7**

I like that old time Rock and roll

**G7**

Don,t take me to a disco

**C7**

You,ll never get me out on the floor...

**G7**

Call me a relic, call me what you will

**C7**

**G7**

Still like that old time Rock and roll

**C7**

The kind of music that just soothes my soul

**D7**

I remminisce about the days of old

**G7**

With that old time Rock and Roll
