

## Polk Salad Annie

Key: G

(verse 1)

**G**

Down in Louisiana,

**G**

Where the alligators grow so mean,

**G**

There lived a young girl that I swear to the world,

**G**

Made the alligators look tame,

chorus

**C**

Polk salad Annie,

**G**

'Gators got your granny,

**Bb**

**C**

Everybody said it was a shame,

**Bb**

**C**

**G**

That the mama was working on the chain gang,

**G**

What a mean, vicious woman,

(verse 2)

**G**

Everyday before supertime,

**G**

She'd go down by the truck patch,  
**G**  
And pick her a mess of Polk salad,  
**G**  
And carry it home in a tote sack,

**C**  
Polk salad Annie,  
**G**  
'Gators got you granny,  
**Bb** **C**  
Everybody said it was a shame,  
**Bb** **C** **G**  
'Cause the mama was working on the chain gang,  
**G**  
Whoo, a wretched, spiteful, straight-razor totin woman,  
**G**  
Lord have mercy,

(bridge)

Sock a little Polk salad to me,

Yeah, you know i need me a mess of it yeah,

**G**  
Her daddy was lazy and no count,

Claimed he had a bad back,

All her brothers were fit for,  
**G**  
Was stealing watermelons out of my truck,
