

SAVE THE LAST DANCE FOR ME

by Doc Pomus and Mort Shuman
(It was rumored that they were
helped by a very young Phil Spector)

THE DRIFTERS

1960

You can dance... every dance with the ^Dguy ^Awho gives you the eye

Let ^Ahim ^Dhold you tight

You can smile... every smile for the ^Dman ^Agirl who held your hand

'Neath the pale moonlight

^{D7}But don't forget who's taking you home

And in whose arms you're 'gonna be

^ASo darling, ^DSave the last dance for me

^DOh I know... that the music's fine, like sparkling wine

^AGo and have your fun

Laugh and sing... but while we're apart

^DDon't give your heart to anyone

^{D7}But don't forget who's taking you home

And in whose arms you're 'gonna be

^ASo darling, ^DSave the last dance for me

^(D)Baby don't you know I love you so

Can't you feel it when we touch

I will never never let you go

I love you oh so much

^DYou can dance... go and carry on 'til the night is gone
^Aand it's time to go

If ^Ahe ^Dasks... if you're all alone, can ^Ahe ^Dtake you home?

You must tell ^Dhim ^Ano

^{D7}'Cause don't forget who's taking you home

And in whose arms you're 'gonna be

^ASo darling, ^DSave the last dance for me

^{D7}'Cause don't forget who's taking you home

And in whose arms you're 'gonna be

^ASo darling, ^DSave the last dance for me

^ASave the last dance for me

^AMmmm, ^DSave the last dance for me
