From: Richard G's Ukulele Songbook www.scorpex.net/uke.htm

[G] Pearly shells from the ocean [G7]
Shining in the [C] sun covering the [A] shore [D]
When I [G] see them my heart [C] tells me that I love [Cm] you
More than [G] all the [D7] little pearly [G] shells

For every [D7] grain of sand upon the beach
I [G] got a kiss for you
And I've got [D7] more left over for each star
That [A] twinkles in the [D] blue

[D7] Pearly [G] shells from the ocean [G7]
Shining in the [C] sun covering the [A] shore [D]
When I [G] see them my heart [C] tells me that I love [Cm] you
More than [G] all the [D7] little pearly [G] shells

For every [D7] grain of sand upon the beach
I [G] got a kiss for you
And I've got [D7] more left over for each star
That [A] twinkles in the [D] blue

[D7] Pearly [G] shells from the ocean [G7]
Shining in the [C] sun covering the [A] shore [D]
When I [G] see them my heart [C] tells me that I love [Cm] you
More than [G] all the [D7] little pearly [G] shells
