

# Sun City Ukulele Club Skill Levels

## LEVEL 1

**Beginner:** A student at this level is new to the ukulele. The student has perhaps learned a few chords but often hesitates between chord changes.

## Level 2

**Advanced Beginner:** A student at this level should be able to play the basic chords in the Uke-Friendly keys of C, F and G without hesitating. The student has learned several different 'rhythmically-consistent' strums and can sing and strum at the same time.

## Level 3

**Intermediate:** A student at this level can play all of the chords in the 'Uke-Friendly' keys of C, F, G, D and A. Recognizes and understands basic chord 'Progressions' (such as I, IV, V7 and vi) for 'Uke-Friendly' keys. Can strum many different styles with accents and differing dynamics and can learn new songs quickly.

## Level 4

**Advanced:** A Player at this level has mastered many chord inversions, Barre-chords and can play up and down the neck. Can play varied strums and finger-picks easily. Can solo and back-up others with ease.
