LAHAINA, HAWAII

Glamorous resorts, stunning beaches, world-class golf courses, historic Lahaina Town: This enchanting island has it all, plus a magnificent volcano and the annual migration of the humpback whales.

HONOLULU, HI

Stroll the fabled beaches of Waikiki under the protective watch of the ancient volcanic profile of Diamond Head. Visit the Polynesian Cultural Center, a 42-acre living museum of the many cultures of the South Pacific. And be sure to stop off at the historic USS Arizona Memorial, dedicated to those who died at Pearl Harbor.

KAUAI (NAWILIWILI), HI

Kauai, Hawaii's most beautiful island, beckons you. Crystal pools, magnificent waterfalls, stunning sunsets and sparkling beaches - you can find them all in the Garden Island of the Pacific.

KAILUA/HILO, HI

You'll be intoxicated by the fragrant orchids and anthurium which fill the air. This is Hawaii's second largest metropolis, yet it remains a quaint city of Victorian homes which overlook a half-moon bay. With its magnificent Japanese Yedo Garden and a half-hour walk through verdant tropical forest opening into the awesome beauty of Akaka Falls, Hilo is one of the most scenic tropical cities in the Pacific.

ENSANADA, MEXICO

The City of Ensenada has completed a total renovation of Primera, the main street downtown. Enjoy a stroll down the cobblestone sidewalk complete with outdoor cafes, interesting shops, strolling musicians and street vendors. The malecon (harbor boardwalk) renovation was completed last year and provides a beautifully landscaped walk along the harbor front to the Ventana Del Mar Plaza with its huge Mexican flag.
