

# Aloha Friday

- Chorus -

It's Aloha Friday no work 'til Monday  
Doo Be Doo, Doo Doo Be, Doo Be Doo Be Doo Be Doo

It's Aloha Friday no work 'til Monday  
Doo Be Doo, Doo Doo Be, Doo Be Doo Be Doo Be Doo

Here is where I sit all cloudy and blitzed  
With the Primo bottles lying everywhere  
Got a guitar (uke) in my hand and a Wesson oil can  
Under my okole for a chair

- Chorus -

The cousins all here drinking up my beer  
Got keikis running everywhere  
Got some poki on the side while Mama's trying to hide  
The Miller and da Heineken beer

- Chorus -

Kimo and the crew suckin' up the brew  
Pulehu meat smokin' on the side  
All the surfers are a droppin', while  
The high school kids are poppin'  
Down Kalakaua for a ride

- Chorus -
