

Catch the Wind - Donovan

3/4 time, each chord is 3 beats

In the chilly hours and minutes

Of uncertainty, I want to be

In the warm hold of your loving mind

To feel you all around me

And to take your hand along the sand,

Ah but I may as well try and catch the wind

When sundown pales the sky,

I want to hide awhile behind your smile

And ev'rywhere I'd look, your eyes I'd find

For me to love you now

would be the sweetest thing 'T'would make me sing,

Ah but I may as well try and catch the wind

de Deee de de de Deee de de de Deeeee

de de de Deee de de de Deee de de de Deeeee

Deee de Deeeeeeeeeeeee

When rain has hung the leaves with tears

I want you near to kill my fears.

To help me to leave all my blues behind

Standing in your heart Is where I want to be and long to be,

Ah but I may as well try and catch the wind
