

Drift Away – C    Dobie Gray 1997    Each symbol = 4 beats.    SN low A

F            F                    C            C  
Day after day I'm more confused,  
F                    F                            C            C  
Yet I look for the light through the pouring rain.  
F                    F                            C            C  
You know that's a game that I hate to lose,  
Dm                    Dm F                    F  
I'm feelin' the strain,    ain't it a shame?

### CHORUS

C                                    C  
Oh, give me the beat boys and free my soul,  
G                                    G                            F                            F  
I wanna get lost in your Rock-n-Roll and drift away.  
C                                    C  
oh, give me the beat boys and free my soul,  
G                                    G                            F                            F F F  
I wanna get lost in your Rock-n-Roll and drift away

F                    F                            C            C  
Beginning to think that I'm wasting time  
F                    F                            C            C  
I don't understand the things I do  
F                    F                            C            C  
The world outside looks so unkind  
Dm                    Dm F                            F  
Now I'm counting' on you    to carry me through

### CHORUS

B  
R    Dm                    Dm                            F                    F                    C            C  
I    And when my mind is free,    you know a melody can move me  
D    Dm                    Dm                            F                    F                    G            G  
G    And when I'm feeling blue,    the ukes are comin' through to soothe me  
E

F                    F                            C            C  
Thanks for the joy that you've given me  
F                    F                            C            C  
I want you to know I believe in your song  
F                    F                            C            C  
Rhythm and rhyme and harmony  
Dm                    Dm F                            F  
You help me along,    makin' me strong

### CHORUS 2X. (or more if you like)

Clapping starts on word "beat" first time thru. The second time, sing LOUDLY!!!! Drift away at end on F chord when ready to end the song
