 G Am C G
All through my brain, came the refrain,

Of home and it's warming fire.

And home sings me of sweet things,
 D7
My life there has it's own wings,
 G C G
Fly over the moun - tain,
 Bb Am7 D7
'Tho I'm standing still.

CHORUS

G Am C G
The people I've seen, they come in between,

The cities of tiring life,

The trains come and go, but inside you know,

The struggle will soon be a fight.

REPEAT CHORUS

G Am C G
Traveling at night, the headlights were bright,
