

# I Have A Dream yi

Key of C

**C**        **G7**                    **C**  
I have a dream, a song to sing  
                  **G7**                    **C**  
To help me cope, with anything  
**nc**                    **G7**                    **C**  
If you see the wonder, of a fairy tale  
                                  **G7**                    **C**  
You can take the future, even if you fail

## Chorus:

**nc**                    **G7**  
I believe... in angels;  
**G7**                                    **F**                    **C**  
something good in everything I see  
                                  **G7**  
I believe in angels;  
**G7**                                    **F**                    **C**  
when I know the time is right for me  
                                  **G7**                    **C**  
I, ll cross the stream, I have a dream (2x-end)

## Verse:

**C**        **G7**                    **C**  
I have a dream, a fantasy  
                  **G7**                    **C**  
To help me through, reality  
                                  **G7**                    **C**  
And my destination, makes it worth the while  
                                  **G7**                    **C**  
Pushing through the darkness, still another mile
