Standard tuning

*This tab has been submitted but its in the wrong key. ive listend to the song and its different so here it is.  
Ive listed each chord once on each line. but continue to strum through the whole thing.*

Way back in the country, back in the hills,  
Deep in the hollar where the folks are real,  
Living with the crazy\'s and the old wild cats,  
With sawwed off shotguns and coon skinned cats,  
That\'s where I\'m from and I\'m proud to say,  
I\'m from the country and I like it that way.

## **A** Chorus:

Everybody knows everybody,  
everybody calls you friend,  
You don\'t need an invitation,  
kick off your shoes come on in,  
Yeah, we know how to work and  
we know how to play,  
Were from the country and we like  
it that way.

*Continue to strum the D until you start the next verse.*

All day long we work in the fields,  
Bring it all home for a home cooked meal,  
We love you like Sunday,  
but we treat you like Saturday night,  
And when the beds get full we can sleep in the hay,  
Hey! We\'re from the country and we like it that way

*Repeat chorus another time or two at your desire to end*
