

Landslide - Fleetwood Mac

| F C Dm C | F C Dm C |

F C Dm C

I took my love, I took it down

F C Dm C

Climbed a mountain and I turned around

F C Dm C

And I saw my reflection in the snow-covered hills

F C Dm C

Till the landslide brought me down

F C Dm C

Oh, mirror in the sky, what is love

F C Dm C

Can the child within my heart rise above?

F C Dm C

Can I sail through the changin' ocean tides?

F C Dm C

Can I handle the seasons of my life?

F C Dm C F C Dm G7

mmm... mmm...I don't know mmm... mmm... I don't know

[Chorus]

C G7 Am

Well, I've been afraid of changing 'cause I've

F C Dm G7

Built my life around you

C G7 Am

But time makes you bolder, children get older

F C Dm C

And I'm getting older too sooo

[Instrumental]

Ah-ah, take my love, take it down

F C Dm C

Climb a mountain and turn around

Well the landslide will bring it down, down

Well maybe, the landslide will bring it down,

C F C Dm

Well well, the landslide will bring it down
