

The Flower That Shattered The Stone

Key of G

(3/4 time) SN=D

G G C G
The earth is our mother, just turning around
Bm Em D7 D
With her trees in the forest and roots underground
G G C G
Our father above us who's sigh is the wind
C G D G G
Paint us a rainbow without any end

CHORUS:

G G C G
As the river runs freely, the mountain does rise
Bm Em D7sus2 D
Let me touch with my fingers and see with my eyes
C C G D
In the hearts of the children, a pure love still grows
C G C G
Like a bright star in heaven that lights our way home
Am D G C G G
Like the flower that shattered the stone

G G C G
Sparrows find freedom beholding the sun
Bm Em D7 D
In the infinite beauty, we're all joined in one
G G C G
I reach out before me and look to the sky
C G D G G
Did I hear someone whisper? Did something pass by?

CHORUS:

C G C G
Like a bright star in heaven that lights our way home

Am D G C G
Like the flower that shattered the stone
