

# Try A Little Kindness

[D] [D] [C] [G] [D] [D] [C] [G]  
If you [D] see your brother [G] standing by the [D] road  
With a heavy [A] load [G] from the seeds he [D] sowed  
[D] And if you see your sister [G] falling by the [D] way  
Just stop and [A] say "[G] you're going the wrong [D] way"

You've got to [A] try a little kindness,  
yes, [G] show a little [D] kindness  
Just [G] shine your light for [D] everyone to [A] see  
And if you [G] try a little kindness  
then you'll [D] overlook the [Bm] blindness  
Of the [Em] broken hearted [A] people  
on the [Em] broken [A] hearted [D] streets

[D] [D] [C] [G] [D] [D] [C] [G]  
[D] Don't walk a-[G]round the down and [D] out,  
lend a helping [A] hand [G] instead of [D] doubt  
And the kindness that you [G] show every [D] day  
will help some-[A]one [G] along their [D] way

You've got to [A] try a little kindness,  
yes, [G] show a little [D] kindness  
Just [G] shine your light for [D] everyone to [A] see  
And if you [G] try a little kindness  
then you'll [D] overlook the [Bm] blindness  
Of the [Em] broken hearted [A] people  
on the [Em] broken [A] hearted [D] streets

You've got to [A] try a little kindness,  
yes, [G] show a little [D] kindness  
Just [G] shine your light for [D] everyone to [A] see  
And if you [G] try a little kindness  
then you'll [D] overlook the [Bm] blindness  
Of the [Em] broken hearted [A] people  
on the [Em] broken [A] hearted [D] streets
