[Verse 1]

Well, I had just got out from the county prison  
Doin' ninety days for non-support  
Tried to find me an executive position  
But no matter how smooth I talked  
They wouldn't listen to the fact that I was genius  
The man say, "We got all that we can use."

[Chorus]

Now I got them steadily depressin', low down mind messin'  
workin' at the car wash blues

[Verse 2]

Well, I should be sittin'  
In an air conditioned  
Office in a swivel chair  
Talkin' some trash to the secretaries  
Sayin', "Here, now mam-ma, come on over here."  
Instead, I'm stuck here rubbin' these fenders with a rag  
And walkin' home in soggy old shoes

[Chorus]

With them steadily depressin', low down mind messin'  
workin' at the car wash blues

[Bridge]

You know a man of my ability he should be smokin' on a big cigar  
But till I get myself straight I guess I'll just have to wait  
In my rubber suit a-rubbin' these cars

Verse 3]

Well, all I can do is a shake my head  
You might not believe that it's true  
For workin' at this end of Niagara Falls  
Is a undiscovered Howard Hughes  
So baby, don't expect to see me  
With no double martini in any high-brow society news

[Chorus]

'Cause I got them steadily depressin', low down mind messin'  
workin' at the car wash blues

[Interlude]

G D G

[Pre-Chorus]

So baby, don't expect to see me  
With no double martini in any high-brow society news

[Chorus]

'Cause I got them steadily depressin', low down mind messin'  
workin' at the car wash blues

Yeah, I got them steadily depressin', low down mind messin'  
workin' at the car wash blues
