

G - A - D - G - D

1. I never saw the end in sight, fools are kind of blind,  
thought everything was going alright, but I was running out of time.  
'Cause you had one foot out the door, I swear I didn't see,  
but if you're really going away here's some final words from me :

Baby, write this down, take a little note,  
to remind you in case you didn't know,  
tell yourself I love you and I don't want you to go, write this down !  
Take my words and read 'em everyday,  
keep 'em close by, don't you let 'em fade away,  
so you'll remember what I forgot to say, write this down !

+ G - A - D - G - D

2. I'll sign it at the bottom of the page, I'll swear under oath,  
'cause every single word is true and I think you need to know.  
So use it as a bookmark, stick it on your 'frigerator door,  
hang it in a picture frame up above the mantle,  
where you'll see it for sure :

+ CHORUS

+ You can find a chisel, I can find a stone,  
folks will be reading these words, long after we're gone !

Baby, write this down, take a little note,  
to remind you in case you didn't know,  
tell yourself I love you and I don't want you to go, write this down !  
Take my words and read 'em everyday,  
keep 'em close by, don't you let 'em fade away,  
so you'll remember what I forgot to say, write this down !

+ Oh, I love you and I don't want you to go - - -  
baby, write this down !
