

BIG CITY

Merle Haggard

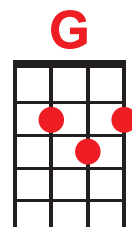

^D I'm tired of this dirty old city ^G
^D Entirely too much work and never enough play ^A
^D And I'm tired of these dirty old sidewalks ^G
^D Think I'll walk off my steady job today ^A ^D

^D Turn me loose, set me free, somewhere in the middle of Montana ^G ^D
 And gimme all I've got comin' to me, ^A
 And keep your retirement and your so-called social security ^D ^G ^D
 Big City turn me loose and set me free ^A ^D

^D Been working everyday since I was twenty ^G
 Haven't got a thing to show for anything I've done ^A
^D There's folks who never work and they've got plenty ^G

^D Think it's time some guys like me had some fun ^A ^D

^D Turn me loose, set me free, somewhere in the middle of Montana ^G ^D
 And gimme all I've got comin' to me, ^A
 And keep your retirement and your so-called social security ^D ^G ^D
 Big City turn me loose and set me free ^A ^D
