

G D
We have been so close together

C D G
Each a candle, each a flame.

G D
All the dangers were outside us,

C D G
And we knew them all by name.

CHORUS:

G D C G
See how the bramble and the rose

C G D
Intertwi - i - i - i - i - ine

G D C G
Love grows like a bramble and a rose

C D G
Round each other we will twine.

G D
Now I've hurt you, and it hurts me

C D G
Just to see what we can do

G D
To ourselves and to each other

C D G
Without really meaning to.

CHORUS

G D
So put your arms around me

C D G
And we'll sing a true love song.

G D
We will learn to sing together,

C D G
Sing and laugh the whole night long.

CHORUS

The Bramble and the Rose

(traditional)

Although this is a traditional composition, one of the most popular versions of this song was recorded by Santa Cruz's own singer-songwriter Mary McCaslin, along with legendary singer Jim Ringer.
