Blue Hawaii was Elvis Presley's 14th album and also a soundtrack for the film of the same name. The album eventually went double platinum and was nominated for a Grammy in 1961. It's second only to *West Side Story* as the most successful soundtrack album of the 1960s. *Ku'uipo* is the first track on side two and features Alvin Rey on pedal steel guitar and Fred Tavares & Bernie Lewis on ukulele.
