I got the blues from my baby livin' by the San Francisco Bay,  
The ocean liner's not so far away,

Didn't mean to treat her so bad, she was the best girl I ever have had,  
Said goodbye, I can make her cry, I wanna lay down and die.

Well I ain't got a nickel and I ain't got a lousy dime,  
She don't come back, think I'm gonna lose my mind,

If I ever get back to stay, it's gonna be another brand new day,  
Walkin' with my baby down by the San Francisco Bay.

Instrumental (Play all the same chords as first two verses)

Sittin' down lookin' from my back door, wonderin' which way to go,  
Woman I'm so crazy 'bout, she don't love me no more,  
Think I'll catch me a freight train, 'cause I'm feelin' blue,  
Ride all the way to the end of the line, thinkin' only of you.

Meanwhile livin' in the city, just about to go insane,  
Thought I heard my baby's voice, the way she used to call my name,  
And if I ever get back to stay, it's gonna be another brand new day,  
Walkin' with my baby down by the San Francisco Bay, hey hey,  
Walkin' with my baby down by the San Francisco Bay,  
Yeah walkin' with my baby down by the San Francisco Bay!
